

“I want to volunteer!”

Guidance notes

Your details

Please complete this section giving us your personal details, so that we can register you on our database and contact you to tell you more about volunteering opportunities.

Support to volunteer

We believe that volunteering should be available to everyone. We ask people if they require additional support so that we can provide them with extra help and to make sure that everyone has a positive and enjoyable volunteer experience.

People sometimes require additional support if they lack confidence, have English as a second language, have been out of work for a while, have a physical disability, have experienced mental health issues or have a criminal conviction.

If you have had a key worker, support worker or social worker in the last 12 months, we ask that you tick the box on the registration form to tell us this.

How do you want to find out about volunteer opportunities?

Open sessions will start in June 2008
